FINANSIRANIH IZ JAVNIH FONDOVA EU**

Planiranje, programiranje, praćenje i izveštavanje o sredstvima projekata EU (ali i Svetske banke) obavlja se preko Kabineta Podpredsednice Vlade za evropske integracije i „Kancelarije za evropske integracije Vlade Republike Srbije“.

<http://www.seio.gov.rs/kancelarija/sektori.110.html>

Za vreme svog mandata, šef Kabineta Podpredsednice Vlade Srbije za evropske integracije, Bojan Bajceta je ujedino i vlasnik konsultantske kuće "Istcube d.o.o" koja pruža usluge pripreme i sprovođenja EU projekata

PRILOG 1

Gotovo svi navedeni klijenti njegove konsultantske kuće su dobili posao na EU finansiranim projektima. Dok zvanični izveštaji te projekte opisuju kao uspešne, u dnevnim novinama i javnosti oni važe za uspešno protraćerene pare bez efekta.

Navedene činjenice predstavljaju evidentan konflikt interesa i zloupotrebu javne funkciju koju obavlja u planiranju, praćenju i izveštavanju o uspesima projekata finansiranih od EU. **Smatramo da je ovo mehanizam kako je došlo do prikrivanja zloupotreba i lažnog izveštavanja Evropske komisije i Evropskog Parlamenta o rezultatima projekata finansiranih iz javnih fondova EU ali i Svetske Banke.**

Navedene činjenice jasno dokazuju postojanje koruptivne sprege između lokalnih zvaničnika i struktura u Delagaciji EU u planiranju , odabiru, i izveštavanju o projektima finansiranim iz javnih fondova EU

Attention Mrs. Tatjana Babić, Director

Dear Mrs. Babić,

Matter: Information on Rigging, Misuse, Breaches and False Presentation of So-Called Success of the Projects Financed by European Union Public Funds

Planning, programming, monitoring and reporting on the funds from the EU Projects (as well as World Bank Projects) is being performed through the Cabinet of the Serbian Government for EU Integrations and through "Serbian Government Office for European Integrations"

<http://www.seio.gov.rs/kancelarija/sektori.110.html>

During his term of office, Chief of Staff of the Serbian Deputy Prime Minister for European integrations, Bojan Bajceta is at the same time the director of the Consulting firm "Istcube d.o.o. (Limited)" which offers services of preparation and implementation of EU projects EXHIBIT 1 and

Almost all of the said Clients of his consulting firm have obtained business deals on EU financed projects. While the official reports describe these projects as successful, in daily newspapers and with public at large, these projects are deemed to be failures, funds spent without any effect whatsoever.

The mentioned facts represent an evident conflict of interest and abuse of public office which Mr. Bajceta discharges - in planning, monitoring and reporting on the success of projects financed by European union. We are of the opinion that this is a mechanism which brought about the cover-up of abuse of power and false reporting of the European Commission and European Parliament on the results of projects financed from EU public funds but also from the funds of the World Bank.

The said facts clearly prove the existence of corruptive
